## **Bron's potato bake**

Peel and thinly slice 4 Crookwell Coliban potatoes and 4 red sweet potatoes. Layer them alternately in a shallow baking dish. Dice 1 brown onion and 4 bacon rashers and sprinkle over the top of the taters. Pour 300mls thickened cream over this and bake in an 180oC oven for 45 minutes. Some people like to smother this with cheese but I prefer the top to be crispy. We don't need all that cheese!
