Shepherd's pie made with corned beef

Cook a 300gm piece of corned beef until very tender. If the piece is cooked enough you should be able to just break it up into chunks. Add to this a good squeeze of barbecue sauce and a tablespoon of wholegrain mustard. Mix well and place in a shallow casserole dish. Prepare the mashed potato to the previous recipe and add 1 cup grated cheese and some sliced shallots once cooked. Mix well and spoon blobs all over the meat base. Bake in a moderate oven 170oC for 30 minutes or till the potato is golden on top. Serve with steamed vegetables.
